MEMORANDUM FOR: Deputy Director of Security (PSI)
Deputy Director of Security (PTOS)

SUBJECT : Annual Report to the Attorney General
on Wiretapping and Eavesdropping Equipment,
1974

1. The General Counsel has requested that the Office of Security submit to him an inventory of wiretapping and electronic eavesdropping equipment in our possession in the United States (i.e., the fifty states), including equipment used by the Interagency Training Center for which the Agency acts as executive agent.

2. While in the past the Office response has been limited to the Technical Security Division and its activities, it is felt desirable this year to levy this inquiry on all activities of the Office.

3. Attached for information is a copy of last year's submission to the General Counsel. It will be appreciated if you can respond as soon as possible, but no later than noon, 24 June, to the Chief, Plans, Programs Branch, Room 4 E 58, Headquarters.
